

ATHE Level 5 Diploma in Management for Health and Social Care

Qualification Number: 600/4433/0

Overview

Our new qualifications in Management for Health and Social Care at Level 5 have been developed to conform to the requirements of the RQF, to meet the requirements of the sector and to respond to the needs of our centres.

These qualifications provide generic management skills for those planning to or working in a management role together with sector specific specialist units. The qualifications deliver the skills and knowledge that meet the needs of managers on a domestic and international platform.

We provide a flexible route for learners who have already achieved management qualifications at a lower level and for learners who do not have management qualifications, but may have qualifications in other areas and/or prior experience the work place.

Modules

Learners must complete four mandatory units totalling 65 credits and at least four optional units, totalling a minimum of 55 credits. The number of units to be completed will depend upon the size of the units selected.

- Facilitating Change in Health and Social Care
- Managing Communication
- People Management
- Research Project

Optional Units

- Leading Practice in Health and Social Care
- Working with Multi-Disciplinary Teams
- Management of Safeguarding for Health and Social Care
- Corporate Social Responsibility
- Resource Management
- Management of Activity Provision
- Finance For Managers
- Planning a New Business Venture
- Managing Stakeholder Engagement
- Leading Organisational Equality and Diversity
- Managing Finance in the Public Sector
- Manage Sustainability in an Organisation
- Managing Quality in Health and Social Care
- Empowering Users of Health and Social Care Services
- Health and Safety in the Health and Social Care Workplace
- Employability Skills
- Personal and Professional Development

Entry Requirements

The Level 3 Diplomas within the IAP are designed to meet the needs of learners who are progressing from the study at Level 2, as well as those who are returning to learning

- Learners aged 16 or over, who have recently been in education or training
- 5 or more GCSEs at grades C and above or Grade 4 and above
- other related levels 2 subjects
- other equivalent international qualifications.
- Learners will need to have appropriate Level 2 standard in English and in particular Mathematics/Numeracy
- UK Versity will assess the level of English language proficiency if it is not your native language.

Assessment and Verification

All units within this qualification are internally assessed via assignments and externally verified by awarding organisation. There are no examinations in this course.

Course Material

Course materials, including presentations, hand-outs, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorials via emails, in order to support the learning.

Online Learning

The learner sets their own pace for their learning and the courses are offered on an academic – year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.

Progressions

On successful completion of a Level 5 qualification in Management for Health and Social Care there are a number of progression opportunities.

Learners may progress to:

- Larger qualifications at the same level e.g. from a Certificate to the Diploma or Extended Diploma in Management for Health and Social Care or a related qualification, for example the Diploma in Management

· A degree programme in a higher education institution and claim exemptions for some of the units completed
