

## **ATHE Level 3 Diploma in Information Technologies**

Qualification Number: 603/6569/9

### **Overview**

The ATHE Level 3 Diploma in Information and Digital Technologies is a 60-credit Ofqual regulated qualification and is the equivalent level to an A Level or Access to HE qualification. It has been designed for learners who wish to progress to a Bachelor's degree and may not have the traditional entry qualifications usually required.

The qualification aims to provide learners with the underpinning knowledge and understanding of a range of topics within the Information and Digital Technology environment. These topics will allow learners to develop practical and theoretical approaches to solving problems and finding solutions using Information and Digital Technologies.

This qualification sits within a suite of ATHE L3 qualifications, which is called the International Access Programme (IAP). Each qualification has a credit value of 60. Learners may choose to study one or more of the qualifications in this suite.

### **Modules**

The learners have to complete 7 mandatory to achieve the 60 credits.

- Introduction to Computer Programming
- Introduction to Computing Mathematics
- Introduction to Cyber Security
- Introduction to Digital Technologies
- Introduction to Emerging Technologies
- Introduction to Mobile Application Development
- Introduction to Web Development

### **Entry Requirements**

The Level 3 Diplomas within the IAP are designed to meet the needs of learners who are progressing from the study at Level 2, as well as those who are returning to learning

- Learners aged 16 or over, who have recently been in education or training
- 5 or more GCSEs at grades C and above or Grade 4 and above
- other related levels 2 subjects
- other equivalent international qualifications.
- Learners will need to have appropriate Level 2 standard in English and in particular Mathematics/Numeracy

- UK Versity will assess the level of English language proficiency if it is not your native language.

### **Assessment and Verification**

All units within this qualification are internally assessed via assignments and externally verified by awarding organisation. There are no examinations in this course.

### **Course Material**

Course materials, including presentations, hand-outs, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorials via emails, in order to support the learning.

### **Online Learning**

The learner sets their own pace for their learning and the courses are offered on an academic – year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.

### **Progressions**

Learners may progress to:

- employment or have increased opportunities for progression in their current role
- a higher level ATHE qualification at Level 4 or above, in a related subject
- the first year of a degree programme
- higher-level apprenticeships
