

## **OTHM Level 7 Diploma in Health and Social Care Management**

Qualification Number: 603/6066/5

### **Overview**

The objective of the OTHM Level 7 Diploma in Health and Social Care Management qualification is to develop learners' understanding of policy, management theory and practice in health and social care. It provides learners with an opportunity to engage with the challenges facing professionals, services users and policy makers in their own country. It will provide knowledge that underpins the ability to work as an effective manager in the hospitals/social care industry. It combines both theoretical and practical knowledge in the health and social care profession. The qualification will develop and enhance knowledge and skills in the areas of leading change, effective performance, planning and accountability, development and team leadership. Learners will be able to work in a variety of roles within health care administration and/or management.

### **Modules**

- Health and Social Care Leadership (20 credits)
- Managing People in Health and Social Care (20 credits)
- Managing Finance in Health and Social Care (20 credits)
- Health and Social Care Strategies and Policies (20 credits)
- Leading Change in Health and Social Care (20 credits)
- Research Methods for Healthcare Professionals (20 credits)

### **Entry Requirements**

- An honours degree in related subject or UK level 6 diploma or an equivalent overseas qualification
- Mature learners with management experience (learners must check with the delivery centre regarding this experience prior to registering for the programme)
- Learner must be 21 years old or older at the beginning of the course.
- UK Versity will assess the level of English language proficiency if it is not your native language.

### **Assessment and Verification**

All units within this qualification are internally assessed by the centre and externally verified by awarding organisation. There are no examinations in this course.

### **Course Material**

Course materials, including presentations, handouts, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorials via emails, in order to support the learning.

## **Online Learning**

The learner sets their own pace for their learning and the courses are offered on an academic – year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.
