What this is

The MSc Accounting and Finance Top-up takes your professional qualifications and your Level 7 postgraduate diploma and converts them into a full master's degree awarded by a UK university. It is built for working accountants who want to think strategically about management and organisational change and step into leadership in the financial sector. You study online around your job and finish with no exams, assessed entirely by assignment.

Who it's for

- **Qualified accountants.** Built for AIA, ACA, ACCA, CIMA, ICAP and CPA Australia members and graduates.
- **Diploma holders.** Anyone holding a Level 7 Postgraduate Diploma in Accounting and Finance or equivalent.
- **Practitioners ready to lead.** Accounting professionals who want to move from technical delivery into strategy and senior roles.
