RQF Level 5	120 credits	26-32 weeks	Pass / Merit / Distinction	Online, enrol any time

About this course

The ATHE Level 5 Extended Diploma in Computing is a 120-credit Ofqual regulated qualification at RQF Level 5, the same level as the second year of a degree. It builds on Level 4 computing study. A core of computing management units gives the context for the technical optional units, and an Advanced Project draws your learning together.

Who it is for

It suits learners who want role-based technical skills or a broader programme for further study. You can follow a pathway, or choose any 3 optional units.

What you will study

Complete the 4 mandatory units (60 credits), 3 optional units (45 credits) and the mandatory Advanced Project (15 credits), a total of 120 credits.

Mandatory units

- Computing Projects for Digital Transformation (15 credits)
- Professional Development and Business Communication (15 credits)
- Innovative Technologies and Connected Devices (15 credits)
- Information Systems (15 credits)

Optional units (choose 3)

- Advanced Database Practice (15 credits)
- Programming for Data Engineering (15 credits)
- Implementing Data Flows and Data Warehouses (15 credits)
- Data Analytics and Machine Learning (15 credits)
- Advanced Programming (15 credits)
- Client and Server Technologies (15 credits)
- Virtualisation and Cloud Computing (15 credits)
- Cloud Native Solutions (15 credits)
- Penetration Testing and Ethical Hacking (15 credits)
- Digital Forensics (15 credits)
- Network Developer and IT Operations (NetDevOps) (15 credits)
- Network and Cloud Design and Configuration (15 credits)

Mandatory synoptic unit

- Advanced Project (15 credits)

Where it leads

Achieving the ATHE Level 5 Extended Diploma in Computing enables learners to progress into or within employment and/or continue their further study, including relevant ATHE Level 6 qualifications.

As this qualification is approved and regulated by Ofqual (Office of the Qualifications and Examinations Regulation), learners may be eligible to apply for direct entry into the final year of a three-year UK Bachelor's degree, subject to each university's entry requirements.
