- Responsibilities, values and behaviours in health and social care (15 credits)
- Improvement and innovation in health and social care (15 credits)
- Professional development and performance management in health and social care (15 credits)

### Optional units (choose four)

- Digital skills for leaders in health and social care (15 credits)
- Leading and managing different adult social care service models (15 credits)
- Care planning and assessment in social care settings (15 credits)
- Management of clinical skills in adult social care (15 credits)
- Managing transitions relating to care settings and significant life events (15 credits)
- Leading financial management in health and social care (15 credits)
- Operational planning in health and social care (15 credits)
- Recruitment and retention of staff in health and social care (15 credits)
- Risk management in health and social care (15 credits)
- Project management in health and social care (15 credits)
- Policy, ethics and legislation in health and social care (15 credits)
- The organisation of health and social care (15 credits)
- Global health issues (15 credits)

## Where it leads

Achieving the ATHE Level 5 Extended Diploma in Health and Social Care enables learners to progress into or within employment and/or continue their further study, including relevant ATHE Level 6 qualifications.

As this qualification is approved and regulated by Ofqual (Office of the Qualifications and Examinations Regulation), learners may be eligible to apply for direct entry into the final year of a three-year UK Bachelor's degree, subject to each university's entry requirements.
